## COMPENSATION COMMITTEE CHARTER of the Compensation Committee of ACCURAY INCORPORATED

(As amended and restated by the Board of Directors effective July 1, 2024)

### I. Purpose

The purpose of the Compensation Committee (the “Committee”) of the Board of Directors (the “Board”) of Accuray Incorporated (the “Company”) is (i) to discharge the Board’s responsibilities relating to compensation of the Executive Officers, including by designing (in consultation with management or the Board), recommending to the Board for approval, and evaluating the compensation plans, policies and programs applicable to the Executive Officers and (ii) to produce an annual report on executive compensation for inclusion in the Company’s proxy materials in accordance with applicable rules and regulations. In addition, the Committee’s purpose is to oversee compensation programs that are designed to encourage high performance, promote accountability and align employee interests with the interests of the Company’s stockholders. For purposes of this Compensation Committee Charter (this “Charter”), the “Executive Officers” are, collectively, the Chief Executive Officer (“CEO”), the Company’s Chief Financial Officer (“CFO”) and any other Section 16 officer.

In addition to the powers and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities delegated to it by the Board from time to time consistent with the Company’s bylaws.

### II. Membership

The Committee shall be composed of at least two (2) directors, as determined by the Board, none of whom shall be an employee of the Company and each of whom shall (i) satisfy the independence requirements of the Nasdaq Stock Market for directors and compensation committee members and any then-applicable rule or regulation prescribed by the Securities and Exchange Commission and (ii) be a “non-employee director” within the meaning of Rule 16b-3 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

The members of the Committee, including the Chair of the Committee (the “Chair”), shall be appointed by and serve at the pleasure of the Board. Committee members may be removed from the Committee, with or without cause, by the Board. Any action duly taken by the Committee shall be valid and effective, whether or not the members of the Committee at the time of such action are later determined not to have satisfied the requirements for membership provided herein.

## III. Meetings and Procedures

The Chair (or in his or her absence, a member designated by the Chair or the Committee) shall preside at each meeting of the Committee and set the agendas for Committee meetings. The Committee shall have the authority to establish its own rules and procedures for notice and conduct of its meetings so long as they are not inconsistent with any provisions of the Company's bylaws or resolutions of the Board that are applicable to the Committee.

The Committee shall meet on a regularly scheduled basis at least four times per year and more frequently as the Committee deems necessary or desirable. The Committee shall cause to be kept written minutes of its proceedings, which minutes will be filed with the minutes of the meeting of the Board.

All non-employee directors who are not members of the Committee may attend and observe meetings of the Committee, but shall not participate in any discussion or deliberation unless invited to do so by the Committee, and in any event shall not be entitled to vote. The Committee may, at its discretion, include in its meetings members of the Company's management, legal counsel or any other person whose presence the Committee believes to be necessary or appropriate. Notwithstanding the foregoing, the CEO may not be present during voting or deliberations concerning his or her compensation, and the Committee may exclude from its meetings any persons it deems appropriate, including but not limited to, any non-employee director who is not a member of the Committee.

The Committee shall have the authority, in its sole discretion, to retain or obtain the advice of, and/or replace, as needed, any outside legal counsel, compensation consultants or other advisors (collectively, "Advisors") as the Committee believes to be necessary or appropriate. The Committee shall be directly responsible for the appointment, compensation, and oversight of the work of any such Advisors. The Committee may also utilize the services of the Company's regular legal counsel, consultants or advisors to the Company. Prior to selecting and receiving advice from Advisors, the Committee shall take into consideration the independence factors set forth in the applicable rules of the Securities Exchange Commission and the Nasdaq listing rules. The Committee may retain, or receive advice from, any Advisor it prefers, including Advisors that are not independent, after considering the requisite independence factors. Notwithstanding the foregoing, the Committee is not required to assess the independence of any Advisor that acts in a role limited to consulting on any broad-based plan that does not discriminate in scope, terms or operation in favor of Executive Officers or directors and that is generally available to all salaried employees or providing information that is not customized for a particular company or that is customized based on parameters that are not developed by the Advisor and about which the Advisor does not provide advice. The Committee shall evaluate whether any compensation consultant retained or to be retained by it has any conflict of interest in accordance with the applicable rules and regulations of the Securities and Exchange Commission. The Company shall provide for appropriate funding, as determined by the Committee in its sole discretion, for payment of compensation to any such Advisors retained by the Committee.
